How do I find companies, people or industries based on size, location or other criteria?

1. From Advanced Search, choose Company or People Criteria from the tabs, and a characteristic such as Location, Industry, Size, etc. from the menu options displayed.
2. Within each category, select from the Choose Criteria buttons displayed for each.
3. Follow the screen prompts to designate your search criteria. Select Add to Criteria after specifying each one. You can add multiple constraints.
4. Included criteria and a results count appear along the bottom of the display. Continue adding criteria until complete, then click Search to see the results list.
5. A report of passing companies or people is produced. The search can be narrowed further using the menu options to the left of the graphic. The graphic can be changed using the menu options below it. The list of companies or people is on the lower part of the screen.

The screenshot displays the Mergent Intellect interface. On the left, a 'Filter your Results' sidebar lists sales ranges: 'Less than \$1 m (24165)', '\$1 - less than \$5 m (2239)', '\$5 - less than \$10 m (509)', '\$10 - less than \$50 m (483)', '\$50 - less than \$500 m (131)', '\$1000 - less than \$10000 m (7)', and '\$500 - less than \$1000 m (3)'. The main area features a donut chart titled 'Sales' with a legend on the right showing the same sales ranges. Below the chart are filter tabs for 'Sales', 'Employees Type (All Sites)', 'Ownership Type', 'Location', 'Country', and 'Industry'. A toolbar contains icons for font settings, print, refresh, and export. Below the toolbar, it shows 'Records Found (27537)', a 'Checked 0' button, and a 'Range All 27537' dropdown. A table lists two companies:
